Joy is the constant companion of the woman who trusts in the Lord. And while you can find it in friends, family, and circumstances, unending, persistent joy will only ever overflow from your relationship with Jesus. In this 7-session study, learn to view pain as a way to strengthen your faith, point others to the gospel, and trust in the Lord. Because His providence will never take you to a place where His grace will not sustain you.

We have people dedicated to pray for anyone who needs the strength to make it through another day, the wisdom to make a tough decision or relief in an ongoing situation. Whatever challenges you're facing—you can write your prayer requests on one of our communication cards (found in the bulletin) and place it in the offering plate.
