Attention Parents...

If your child needs assistance while in their classroom, the number on your registration tag will be displayed in the corner of the screen on the sanctuary wall. Please meet the teacher/security person at the sanctuary door to connect with your child.

if you're having one of those days...or not

We have people dedicated to pray for anyone who needs the strength to make it through another day, the wisdom to make a tough decision or relief in an ongoing situation. Whatever challenges you're facing—you can write your prayer requests on one of our communication cards (found in the bulletin) and place it in the offering plate.
